The technical committees responsible for ACI committee reports and standards strive to avoid ambiguities, omissions, and errors in these documents. In spite of these efforts, the users of ACI documents occasionally find information or requirements that may be subject to more than one interpretation or may be incomplete or incorrect. Users who have suggestions for the improvement of ACI documents are requested to contact ACI via the errata website at <http://concrete.org/Publications/DocumentErrata.aspx>. Proper use of this document includes periodically checking for errata for the most up-to-date revisions.

ACI committee documents are intended for the use of individuals who are competent to evaluate the significance and limitations of its content and recommendations and who will accept responsibility for the application of the material it contains. Individuals who use this publication in any way assume all risk and accept total responsibility for the application and use of this information.

All information in this publication is provided “as is” without warranty of any kind, either express or implied, including but not limited to, the implied warranties of merchantability, fitness for a particular purpose or non-infringement.

ACI and its members disclaim liability for damages of any kind, including any special, indirect, incidental, or consequential damages, including without limitation, lost revenues or lost profits, which may result from the use of this publication.

It is the responsibility of the user of this document to establish health and safety practices appropriate to the specific circumstances involved with its use. ACI does not make any representations with regard to health and safety issues and the use of this document. The user must determine the applicability of all regulatory limitations before applying the document and must comply with all applicable laws and regulations, including but not limited to, United States Occupational Safety and Health Administration (OSHA) health and safety standards.

Participation by governmental representatives in the work of the American Concrete Institute and in the development of Institute standards does not constitute governmental endorsement of ACI or the standards that it develops.

Order information: ACI documents are available in print, by download, through electronic subscription, or reprint and may be obtained by contacting ACI.

Most ACI standards and committee reports are gathered together in the annually revised the ACI Collection of Concrete Codes, Specifications, and Practices.

\*Task group preparing this specification.

*This reference specification covers quality assurance inspection services for preplacement, placement, and post-placement of concrete construction. This reference specification can be made applicable to a particular construction project by citing it in the inspection services contract. The specifier shall supplement the provisions of this reference specification as needed by specifying individual project requirements in the inspection services contract. The materials, processes, quality control measures, and inspections described in this specification should be tested, monitored, or performed as applicable only by individuals holding the appropriate ACI Certifications or equivalent.*

**Keywords:** accreditation; certification; concrete construction; inspection agency; placement; post-placement; preplacement; special inspection; specification.

(mandatory portion follows)

## CONTENTS

### SECTION 1—GENERAL REQUIREMENTS, p. 2

- 1.1—Scope, p. 2
- 1.2—Units of measurement, p. 2
- 1.3—Referenced standards, p. 2
- 1.4—Definitions, p. 2
- 1.5—Reporting requirements, p. 3
- 1.6—Qualifications, p. 3
- 1.7—Items requiring inspection, p. 3

### SECTION 2—PREPLACEMENT INSPECTION, p. 3

- 2.1—General requirements, p. 3
- 2.2—Formwork, shoring, and embedments, p. 3
- 2.3—Mild steel reinforcement, p. 4
- 2.4—Bonded post-tensioned steel reinforcement, p. 4
- 2.5—Unbonded post-tensioned steel reinforcement, p. 5
- 2.6—Stressing and grouting, p. 5

### SECTION 3—PLACEMENT INSPECTION, p. 5

- 3.1—Concrete quality, p. 5
- 3.2—Conveyance and placement, p. 5
- 3.3—Consolidation, p. 5
- 3.4—Finishing, p. 5

### SECTION 4—POST-PLACEMENT INSPECTION, p. 5

- 4.1—Protection and curing, p. 5
- 4.2—Forms, shore removal, and reshoring, p. 5
- 4.3—Strength test specimens, p. 6

### SECTION 5—CONCRETE ANCHORS, p. 6

- 5.1—General, p. 6

ACI 311.7-18 supersedes ACI 311.7-14, became effective March 16, 2018, and was published April 2018.
