## National foreword

This British Standard is the UK implementation of EN 16932-1:2018. Together with BS EN 16932-2:2018 and BS EN 16932-3:2018, it supersedes BS EN 1091:1997 and BS EN 1671:1997, which are withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/505/22.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
