## National foreword

This British Standard is the UK implementation of EN ISO 9047:2003. It is identical with ISO 9047:2001, incorporating corrigendum April 2009. It supersedes BS EN ISO 9047:1998 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard cannot confer immunity from legal obligations.**
