Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Iron and Steel Standards Committee (ISM/-) to Technical Committee ISM/6, upon which the following bodies were represented:

- Associated Offices Technical Committee
- BEAMA Ltd.
- British Gas Corporation
- British Railways Board
- British Steel Industry
- British Valve Manufacturers' Association Ltd.
- Electricity Supply Industry in England and Wales
- Engineering Equipment and Materials Users' Association
- Institute of British Foundrymen
- Institution of Mechanical Engineers
- Lloyds Register of Shipping
- Ministry of Defence
- Process Plant Association
- Steel Casting Research and Trade Association

This British Standard, having been prepared under the direction of the Iron and Steel Standards Committee, was published under the authority of the Board of BSI and comes into effect on 30 January 1987

© BSI 12-1999

First published February 1957
First revision January 1987
