Part 3: Check rails

ICS 93.100

National foreword

This British Standard is the official English language version of EN 13674-3:2006+A1:2010. It supersedes BS EN 13674-3:2006, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee RAE/2, Railway track components.

The start and finish of text introduced or altered by amendment is indicated in the text by tags. Tags indicating changes to CEN text carry the number of the CEN amendment. For example, text altered by CEN amendment A1 is indicated by **A1** **A1**.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2006
