Steels for the reinforcement and prestressing of concrete — Certification scheme for steel bars and wires

National foreword

This British Standard is the UK implementation of [ISO 10144:2018](#).

The UK participation in its preparation was entrusted to Technical Committee ISE/104, Concrete Reinforcing and Pre-Stressing Steels.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
