

**SPECIFICATION FOR  
PREFABRICATED  
GYPSUM WALLBOARD  
PANELS**

**BS 4022 : 1970**

THIS BRITISH STANDARD, having been approved by the Cement, Lime and Gypsum Products Industry Standards Committee, was published under the authority of the Executive Board on 31st August, 1970.

First published, April 1966.

First revision, August 1970.

SBN: 580 06442 5

The Institution desires to call attention to the fact that this British Standard does not purport to include all the necessary provisions of a contract.

In order to keep abreast of progress in the industries concerned, British Standards are subject to periodical review. Suggestions for improvements will be recorded and in due course brought to the notice of the committees charged with the revision of the standards to which they refer.

A complete list of British Standards, numbering over 5000, fully indexed and with a note of the contents of each, will be found in the British Standards Yearbook, price £1. The BS Yearbook may be consulted in many public libraries and similar institutions.

This standard makes reference to the following British Standards:

- BS 1186. Quality of timber and workmanship in joinery.  
Part 1. Quality of timber.
- BS 1230. Gypsum plasterboard.  
Part 2. Metric units.

*British Standards are revised, when necessary, by the issue either of amendment slips or of revised editions. It is important that users of British Standards should ascertain that they are in possession of the latest amendments or editions.*

The following BSI references relate to the work on this standard:  
Committee references CEB/15, CEB/15/1

**AMD 1457**

**Amendment Slip No.1, published 12 June, 1974  
to BS 4022 : 1970**

**Prefabricated gypsum wallboard panels**

**Revised text**
