Railway applications - Infrastructure - Non-destructive testing on rails in track

Part 4: Qualification of personnel for non-destructive testing on rails

National foreword

This British Standard is the UK implementation of EN 16729-4:2018.

The UK participation in its preparation was entrusted to Technical Committee RAE/2, Railway Applications - Track.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

**Railway applications - Infrastructure - Non-destructive
testing on rails in track - Part 4: Qualification of personnel
for non-destructive testing on rails**

Applications ferroviaires - Infrastructure - Essais non
destructifs sur les rails de voie - Partie 4: Qualification
du personnel en charge des essais non destructifs sur
les rails

Bahnanwendungen - Infrastruktur - Zerstörungsfreie
Prüfung an Schienen im Gleis - Teil 4: Qualifizierung
von Personal für die zerstörungsfreie Prüfung an
Gleisen

This European Standard was approved by CEN on 17 September 2018.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
