Methods of test for screed materials

Part 3: Determination of wear resistance —
Böhme

National foreword

This British Standard is the UK implementation of EN 13892-3:2014. It supersedes BS EN 13892-3:2004 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee CB/300, Screeds and in-situ floorings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
