

Building construction — Jointing products — Classification and requirements for sealants

ICS 91.100.50

National foreword

This British Standard is the UK implementation of EN ISO 11600:2003+A1:2011. It is identical to ISO 11600:2002, incorporating amendment 1:2011. It supersedes BS EN ISO 11600:2003, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.
