

BSI Standards Publication

**Non-destructive testing — Acoustic
emission testing — Test method for damage
qualification of reinforced concrete beams**

National foreword

This British Standard is the UK implementation of [ISO 16837:2019](#).

The UK participation in its preparation was entrusted to Technical Committee WEE/46, Non-destructive testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
