Testing concrete in structures

Part 2: Non-destructive testing — Determination of rebound number

National foreword

This British Standard is the UK implementation of [EN 12504-2:2021](#). It supersedes [BS EN 12504-2:2012](#), which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/517/1, Concrete production and testing.

A list of organizations represented on this committee can be obtained on request to its committee manager.

The UK committee draws users' attention to informative [National Annex NA](#), appended at the back of this document, which offers guidance on the use of this standard.
