# Fully supported metal sheet and strip for roofing, external cladding and internal lining — Product specification and requirements

**National foreword**

This British Standard is the UK implementation of EN 14783:2013. It supersedes BS EN 14783:2006 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/542/6, Corrugated sheeting materials.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
