

BSI Standards Publication

Timber structures — Cross laminated timber

Part 1: Component performance, production requirements and certification scheme

National foreword

This British Standard is the UK implementation of ISO 16696-1:2019.

The UK participation in its preparation was entrusted to Technical Committee B/518, Structural timber.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
