Testing of concrete

Part 4: Strength of hardened concrete

National foreword

This British Standard is the UK implementation of ISO 1920-4:2020.

The UK participation in its preparation was entrusted to Technical Committee B/517/1, Concrete production and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
