**National foreword**

This British Standard is the UK implementation of EN ISO 8394-1:2010. Together with BS EN ISO 8394-2:2010, it supersedes BS EN 28394:1991 which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/547, Sealants for building and construction.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
