National foreword

This British Standard is the UK implementation of EN 998-2:2016. It supersedes BS EN 998-2:2010, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/519/2, Mortar.

A list of organizations represented on this committee can be obtained on request to its secretary.

The UK committee draws users' attention to National Annex NA (informative), which gives guidance on the use of BS EN 998-2:2016 for masonry mortar.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
