

**BSI Standards Publication**

## **On-site non-potable water systems**

---

Part 2: Systems for the use of treated greywater

## National foreword

This British Standard is the UK implementation of [EN 16941-2:2021](#).

The UK participation in its preparation was entrusted to Technical Committee B/505/50, Water reuse.

A list of organizations represented on this committee can be obtained on request to its committee manager.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

## On-site non-potable water systems - Part 2: Systems for the use of treated greywater

Réseaux d'eau non potable sur site -  
Partie 2 : Systèmes pour l'utilisation  
des eaux ménagères traitées

Vor-Ort-Anlagen für Nicht-Trinkwasser  
- Teil 2: Anlagen für die Verwendung  
von behandeltem Grauwasser

This European Standard was approved by CEN on 20 December 2020.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Republic of North Macedonia, Romania, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
