National foreword

This British Standard was published by BSI. It is the UK implementation of EN 15361:2007.

The UK participation in its preparation was entrusted to Technical Committee B/523, Prefabricated components of reinforced autoclaved aerated concrete and lightweight aggregate concrete with open structure.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 30 April 2007

EUROPEAN STANDARD NORME EUROPÉENNE EUROPÄISCHE NORM

EN 15361

April 2007

ICS 91.100.30

English Version

Determination of the influence of the corrosion protection coating on the anchorage capacity of the transverse anchorage bars in prefabricated reinforced components of autoclaved aerated concrete

Détermination de l'influence de la protection contre la corrosion sur la capacité d'ancrage des barres d'ancrage transversales dans les composants préfabriqués en béton cellulaire autoclavé armé Bestimmung des Einflusses des Korrosionsschutzüberzugs auf die aufnehmbare Verankerungskraft der zur Verankerung benutzten Querstäbe in vorgefertigten bewehrten Bauteilen aus dampfgehärtetem Porenbeton

This European Standard was approved by CEN on 24 February 2007.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
