Roofing and cladding products from metal sheet – Specification for fully supported products of aluminium sheet

National foreword

This British Standard is the UK implementation of EN 507:2019. It supersedes BS EN 507:2000, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/542/5, Sheet roof and wall coverings.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
