

# Cement — Test methods

## Part 2: Chemical analysis by X-ray fluorescence

ICS 91.100.10

## National foreword

This British Standard is the UK implementation of ISO 29581-2:2010.

The UK participation in its preparation was entrusted to Technical Committee B/516/12, Sampling and testing.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

**Compliance with a British Standard cannot confer immunity from legal obligations.**

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 May 2010.
