Testing hardened concrete

Part 3: Compressive strength of test specimens

National foreword

This British Standard is the UK implementation of EN 12390-3:2019. It supersedes BS EN 12390-3:2009, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee B/517, Concrete.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
