Committees responsible for this British Standard

The preparation of this British Standard was entrusted by the Mining and Quarrying Requisites Standards Committee (MQE/-) to Technical Committee MQE/6, upon which the following bodies were represented:

- Association of British Mining Equipment Companies
- British Chain Manufacturers' Association
- British Valve Manufacturers' Association Ltd.
- Health and Safety Executive
- Institution of Mining Engineers
- National Coal Board

This British Standard, having been prepared under the direction of the Mining and Quarrying Requisites Standards Committee, was published under the authority of the Board of BSI and comes into effect on 31 May 1985

© BSI 11-1999

First published May 1972
First revision May 1985
