Traffic signal controllers - Functional safety requirements

National foreword

This British Standard is the UK implementation of EN 12675:2017. It supersedes BS EN 12675:2001, which is withdrawn.

The UK participation in its preparation was entrusted to Technical Committee EPL/526, Road traffic control signals.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.
