Committees responsible for this British Standard

The preparation of this British Standard was entrusted by Technical Committee B/509, Road equipment, to Subcommittee B/509/20, Vehicle parking control equipment, upon which the following bodies were represented:

- Association of Chief Police Officers of England and Wales
- Association of District Councils
- Association of London Authorities
- Association of Metropolitan Authorities
- British Parking Association
- Department of Transport (Highways Agency)
- Institution of Civil Engineers
- Institution of Highways and Transportation
- Parking Committee for London
- Royal Automobile Club
- Co-opted members

This British Standard, having been prepared under the direction of the Sector Board for Building and Civil Engineering, was published under the authority of the Standards Board and comes into effect on 15 October 1997
