

Free-standing chimneys —

Part 5: Material for brick liners — Product specifications

The European Standard EN 13084-5:2005 has the status of a
British Standard

ICS 91.060.40; 91.100.15

National foreword

This British Standard is the official English language version of EN 13084-5:2005, including Corrigendum May 2006.

Corrections made by Corrigendum May 2006 applied to the Contents, Foreword, Clause 2, 4.2.6, 5.2.4, Table A.2, Table ZA.1 and Table ZA.3.

The UK participation in its preparation was entrusted by Technical Committee B/525, Building and civil engineering structures, to Subcommittee B/525/13, Structural chimneys and flues, which has the responsibility to:

- aid enquirers to understand the text;
- present to the responsible international/European committee any enquiries on the interpretation, or proposals for change, and keep UK interests informed;
- monitor related international and European developments and promulgate them in the UK.

A list of organizations represented on this subcommittee can be obtained on request to its secretary.

Cross-references

The British Standards which implement international or European publications referred to in this document may be found in the *BSI Catalogue* under the section entitled “International Standards Correspondence Index”, or by using the “Search” facility of the *BSI Electronic Catalogue* or of British Standards Online.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard does not of itself confer immunity from legal obligations.

Summary of pages

This document comprises a front cover, an inside front cover, the EN title page, pages 2 to 31 and a back cover.

Free-standing chimneys - Part 5: Material for brick liners - Product specifications

Cheminées autoportantes - Partie 5 : Matériaux pour
conduits intérieurs en terre cuite - Spécification du produit

Freistehende Industrieschornsteine - Teil 5: Baustoffe für
Innenrohre aus Mauerwerk - Produktfestlegungen

This European Standard was approved by CEN on 17 December 2004.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
