**National foreword**

This British Standard is the UK implementation of EN 16704-2-1:2016.

The UK participation in its preparation was entrusted to Technical Committee RAE/2, Railway Applications - Track.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

English Version

**Railway applications - Track - Safety protection on the  
track during work - Part 2-1: Common solutions and  
technologies - Technical requirements for Track Warning  
Systems (TWS)**

Applications ferroviaires - Voie - Protection et sécurité  
durant des travaux sur la voie - Partie 2-1: Solutions  
communes et technologie - Exigences relatives aux  
dispositifs d'annonce des circulations (TWS)

Bahnanwendungen - Oberbau - Sicherungsmaßnahmen  
während Gleisbauarbeiten - Teil 2-1: Allgemeine  
Lösungen und Technologien - Technische  
Anforderungen an Warnsysteme an Gleisen (TWS)

This European Standard was approved by CEN on 6 August 2016.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
