

	Water supply Requirements for systems and components for the storage of water English version of DIN EN 1508	<b>DIN</b> <b>EN 1508</b>
--	---	------------------------------

ICS 13.060.01; 13.060.20

Descriptors: Water supply, storage, testing.

Wasserversorgung – Anforderungen an Systeme und Bestandteile der Wasserspeicherung

**European Standard EN 1508 : 1998 has the status of a DIN Standard.**

### National foreword

This standard has been prepared by CEN/TC 164.

The responsible German body involved in its preparation was the *Normenausschuß Wasserwesen* (Water Practice Standards Committee), Technical Committee *Rohrleitungsbau*.

Users of this standard should note that national regulations exist in Germany dealing with the characteristics and treatment of water for human consumption, such as the *Lebensmittel- und Bedarfsgegenstände-gesetz* (German Foodstuffs Act) and the *Trinkwasserverordnung* (German Regulation on drinking water and on water for the foodstuffs industry).

### National Annex NA

#### Documents referred to

(and not included in **Normative references**)

*Lebensmittel- und Bedarfsgegenstände-gesetz*, as of 15 August 1974, *BGBl.* (German Federal Law Gazette) I, No. 95, p. 1945.

*Verordnung über Trinkwasser und über Wasser für Lebensmittelbetriebe*, as of 15 December 1990, *BGBl.* I, No. 66, p.2613.

EN comprises 29 pages.

**English version**

Water supply  
**Requirements for systems and components for the  
storage of water**

Alimentation en eau – Prescriptions  
pour les systèmes et les composants  
pour le stockage de l'eau

Wasserversorgung – Anforderungen  
an Systeme und Bestandteile der  
Wasserspeicherung

This European Standard was approved by CEN on 1998-07-24.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.
