Document comprises 35 pages

Start of validity

This standard is due to be valid from 1 September 2008.

This standard is part of a “package” of DIN EN Standards the validity of which depends on the publication of all DIN EN Standards of this “package”. The EN Standards included in this „package“ are listed in the foreword of the EN.

It should be noted that, in Germany, CE conformity marking of construction products will be permitted once this standard has been listed in the *Bundesanzeiger* (German Federal Law Gazette) and from the date given therein.

National foreword

This standard has been prepared by CEN/TC 227 “Road materials” (Secretariat: Germany).

The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Technical Committee NA 005-10-09 AA *Oberflächenbehandlung/-schutz*.

Amendments

This standard differs from DIN EN 12271-3:2002-09 as follows:

- a) The specifications of the draft European Standards and of the European Standards of the EN 12271 series have been combined into one standard.

Surface dressing - Requirements

Enduits superficiels - Spécifications

Oberflächenbehandlung - Anforderungen

This European Standard was approved by CEN on 25 October 2006.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Central Secretariat or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Central Secretariat has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
