Foreword

This document has been prepared by Working Committee NA 005-01-06 AA “Costs involved in the use of buildings” of *DIN-Normenausschuss Bauwesen* (DIN Standards Committee Building and Civil Engineering).

Attention is drawn to the possibility that some of the elements of this document may be the subject of patent rights. DIN shall not be held responsible for identifying any or all such patent rights.

For current information on this standard, please go to DIN’s website (www.din.de) and search for the document number in question.

Amendments

This document differs from DIN 18960:2008-02 as follows:

- a) “Cost group 130 Depreciation” has been deleted from the Scope of the standard, and the content of the standard has been accordingly adjusted;
- b) the abbreviation “Cost group (CG)” has been changed to “User cost group (UCG)”;
- c) Clause 3 “Terms and definitions” has been specified and brought in line with DIN 276:2018-12;
- d) DIN 31051 has been included in Clause 3 “Terms and definitions” and thus also included in Clause 2 “Normative references”;
- e) principles of user cost planning have been revised and expanded with the objective of making such planning more uniform;
- f) types of user cost identification have been expanded and editorially revised with a view to continuous planning of user costs;
- g) the cost breakdown structure of user costs has been generally revised.
