National foreword

This standard has been prepared by CEN/TC 229 'Precast concrete products' (Secretariat: France). The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Technical Committee 07.08.00 *Betonfertigteile*.

Document comprises 12 pages.

English version

Precast concrete products
Concrete with wood chips as aggregate
Requirements and test methods

Produits préfabriqués en béton – Bé-
ton utilisant des copeaux de bois
comme granulats – Exigences et mé-
thodes d'essai

Betonfertigteile – Holzspanbeton –
Anforderungen und Prüfverfahren

This European Standard was approved by CEN on 2004-11-15.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, and the United Kingdom.
