ICS 91.080.40

English version

**Products and systems for the protection and repair
of concrete structures – Test methods
Determination of creep in compression for repair products**

Produits et systèmes pour la protection et la réparation des structures en béton – Méthodes d'essai – Détermination du flUAGE en compression des produits de réparation

Produkte und Systeme für den Schutz und die Instandsetzung von Betontragwerken – Prüfverfahren – Bestimmung des Kriechens von Betonersatzsystemen im Druckversuch

This European Standard was approved by CEN on 2003-06-12.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Luxembourg, Malta, the Netherlands, Norway, Portugal, Slovakia, Spain, Sweden, Switzerland, and the United Kingdom.
