A comma is used as the decimal marker.

National foreword

This standard has been prepared by Technical Committee CEN/TC 104 "Concrete and related products" (Secretariat: DIN, Germany).

The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Working Committee NA 005-07-05 AA *Prüfverfahren für Beton*.

Amendments

This standard differs from DIN EN 12390-6:2001-02 as follows:

- a) An alternative specification for packing strips has been provided.
- b) The requirement has been specified that the selected loading rate to be applied after the initial load does not exceed approximately 20 % of the anticipated failure load.

Compared with DIN EN 12390-6:2010-04, the following correction has been made:

c) The superseding note on the DIN title page has been corrected to read "DIN EN 12390-6 Corrigendum 1:2006-05" instead of "DIN EN 12390-1 Corrigendum 1:2006-05".

English Version

Testing hardened concrete - Part 6: Tensile splitting strength of test specimens

Essais sur béton - Partie 6 : Détermination de la résistance en traction par fendage d'éprouvettes

Prüfung von Festbeton - Teil 6: Spaltzugfestigkeit von Probekörpern

This European Standard was approved by CEN on 1 November 2009.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
