

	Trench lining systems Part 1: Product specifications English version of DIN EN 13331-1	<u>DIN</u> EN 13331-1
--	---	--

ICS 93.020

Grabenverbaugeräte – Teil 1: Produktfestlegungen

European Standard EN 13331-1 : 2002 has the status of a DIN Standard.

A comma is used as the decimal marker.

National foreword

This standard has been prepared by CEN/TC 53 'Temporary works equipment' (Secretariat: Germany).
The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Technical Committee 11.05.00 *Arbeits- und Schutzgerüste*.

EN comprises 30 pages.

English version

Trench lining systems

Part 1: Product specifications

Dispositifs de blindage de tranchées – Partie 1: Spécification du produit	Grabenverbaugeräte – Teil 1: Produktfestlegungen
--	---

This European Standard was approved by CEN on 2002-07-06.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.
