

DIN EN 13914-2

ICS 91.100.10

Supersedes  
DIN EN 13914-2:2005-07

**Design, preparation and application of external rendering and internal plastering –  
Part 2: Internal plastering;  
English version EN 13914-2:2016,  
English translation of DIN EN 13914-2:2016-09**

Planung, Zubereitung und Ausführung von Innen- und Außenputzen –  
Teil 2: Innenputze;  
Englische Fassung EN 13914-2:2016,  
Englische Übersetzung von DIN EN 13914-2:2016-09

Conception, préparation et mise en oeuvre des enduits extérieurs et intérieurs –  
Partie 2: Enduits intérieurs;  
Version anglaise EN 13914-2:2016,  
Traduction anglaise de DIN EN 13914-2:2016-09

Document comprises 39 pages

Translation by DIN-Sprachendienst.

In case of doubt, the German-language original shall be considered authoritative.

*A comma is used as the decimal marker.*

## **National foreword**

This document (EN 13914-2:2016) has been prepared by Technical Committee CEN/TC 125 “Masonry” (Secretariat: BSI, United Kingdom).

The responsible German body involved in its preparation was *DIN-Normenausschuss Bauwesen* (DIN Standards Committee Building and Civil Engineering), Working Committee NA 005-06-06 AA *Putzmörtel (SpA zu CEN/TC 125/WG 5 und CEN/TC 125/WG 2)*.

## **Amendments**

This standard differs from DIN EN 13914-2:2005-07 as follows:

- a) Clause 2 “Normative references” has been added;
- b) the terms and definitions have been completely revised and supplemented;
- c) Clause 4 “Materials and accessories” has been added;
- d) Clause 8 “Maintenance and repair (other than restoration)” has been added;
- e) Annexes C and D have been added;
- f) Clauses 5 to 7 and Annexes A and B have been completely revised;
- g) the standard has been editorially revised.

## **Previous editions**

DIN EN 13914-2: 2005-07

English Version

## Design, preparation and application of external rendering and internal plastering - Part 2: Internal plastering

Conception, préparation et mise en oeuvre des enduits  
extérieurs et intérieurs - Partie 2: Enduits intérieurs

Planung, Zubereitung und Ausführung von Außen- und  
Innenputzen - Teil 2: Innenputze

This European Standard was approved by CEN on 2 January 2016.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN-CENELEC Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN-CENELEC Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, Former Yugoslav Republic of Macedonia, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey and United Kingdom.
