

DIN EN 14545

**DIN**

ICS 21.060.01; 91.080.20

See start of validity

**Timber structures –  
Connectors –  
Requirements  
English version of DIN EN 14545:2009-02**

Holzbauwerke –  
Nicht stiftförmige Verbindungselemente –  
Anforderungen  
Englische Fassung DIN EN 14545:2009-02

Document comprises 38 pages

## **Start of validity**

This standard takes effect on 1 February 2009.

It should be noted that, in Germany, CE conformity marking of construction products will be permitted once this standard has been listed in the *Bundesanzeiger* (German Federal Gazette) and from the date given therein.

## **National foreword**

This standard has been prepared by Technical Committee CEN/TC 124 “Timber structures” (Secretariat: SFS, Finland).

The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Technical Committee NA 005-04-01 *Holzbau* (*Spiegelausschuss des CEN/TC 124, CEN/TC 250/SC 5*).

ICS 91.080.20

English Version

## Timber structures - Connectors - Requirements

Structures en bois - Connecteurs - Exigences

Holzbauwerke - Nicht stiftförmige Verbindungselemente -  
Anforderungen

This European Standard was approved by CEN on 9 August 2008.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration. Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the CEN Management Centre or to any CEN member.

This European Standard exists in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the CEN Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Bulgaria, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Norway, Poland, Portugal, Romania, Slovakia, Slovenia, Spain, Sweden, Switzerland and United Kingdom.
