

## DIN EN 1337-7

ICS 91.010.30

Supersedes July 2001  
edition.

**Structural bearings**  
Part 7: Spherical and cylindrical PTFE bearings  
English version of DIN EN 1337-7

Lager im Bauwesen – Teil 7: Kalotten- und Zylinderlager mit PTFE

**European Standard EN 1337-7 : 2004 has the status of a DIN Standard.***A comma is used as the decimal marker.***Start of validity**

This standard is valid from 17 December 2004. It should be noted that, in Germany, CE conformity marking of construction products will be permitted once this standard has been listed in the German Federal Law Gazette (17 December or later)<sup>1)</sup>.

**National foreword**

This standard has been prepared by CEN/TC 167 'Structural bearings' (Secretariat: Italy).

The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Technical Committee 00.91.00 *Lager im Bauwesen*.

**Amendments**

This standard differs from the July 2001 edition in that it has been editorially revised and the bearing design has been harmonized with the specifications of DIN EN 1990.

**Previous edition**

DIN EN 1337-7: 2001-07.

**National Annex NA****Standard referred to**(and not included in **Normative references**)

DIN EN 1990 Eurocode: Basis of structural design

<sup>1)</sup> See relevant EC Official Gazette for start of validity.

Document comprises 25 pages.

**English version**

**Structural bearings**

**Part 7: Spherical and cylindrical PTFE bearings**

Appareils d'appui structuraux – Partie 7: Appareils d'appui cylindriques sphériques comportant du PTFE

Lager im Bauwesen – Teil 7: Kalotten- und Zylinderlager mit PTFE

This European Standard was approved by CEN on 2003-01-02.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, Cyprus, the Czech Republic, Denmark, Estonia, Finland, France, Germany, Greece, Hungary, Iceland, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, the Netherlands, Norway, Poland, Portugal, Slovakia, Slovenia, Spain, Sweden, Switzerland, and the United Kingdom.
