

	Screed material and floor screeds Screed material Properties and requirements English version of DIN EN 13813	DIN EN 13813
--	---	-------------------------------

ICS 91.100.10

Supersedes parts of DIN 18560-1 to DIN 18560-3, DIN 18560-4 and DIN 18560-7, May 1992 editions.

Estrichmörtel, Estrichmassen und Estriche – Estrichmörtel und Estrichmassen – Eigenschaften und Anforderungen

European Standard EN 13813 : 2002 has the status of a DIN Standard.

A comma is used as the decimal marker.

National foreword

This standard has been prepared by CEN/TC 303 'Floor screeds and in-situ floorings in buildings' (Secretariat: Germany).

The responsible German body involved in its preparation was the *Normenausschuss Bauwesen* (Building and Civil Engineering Standards Committee), Technical Committee 09.18.00.

Amendments

Parts of DIN 18560-1 to DIN 18560-3, DIN 18560-4 and DIN 18560-7, May 1992 editions, have been superseded by the specifications of EN 13813.

Previous editions

DIN 272: 1978-03; DIN 4109-4: 1962-09; DIN 18560-1: 1981-08, 1992-05; DIN 18560-2: 1981-08, 1992-05; DIN 18560-3: 1985-01, 1992-05; DIN 18560-4: 1985-01, 1985-04, 1992-05; DIN 18560-5: 1981-08; DIN 18560-7: 1992-05.

EN comprises 31 pages.

Estriche – Estrichmörtel und Estrich-
massen – Eigenschaften und Anfor-
derungen

This European Standard was approved by CEN on 2002-09-14.

CEN members are bound to comply with the CEN/CENELEC Internal Regulations which stipulate the conditions for giving this European Standard the status of a national standard without any alteration.

Up-to-date lists and bibliographical references concerning such national standards may be obtained on application to the Management Centre or to any CEN member.

The European Standards exist in three official versions (English, French, German). A version in any other language made by translation under the responsibility of a CEN member into its own language and notified to the Management Centre has the same status as the official versions.

CEN members are the national standards bodies of Austria, Belgium, the Czech Republic, Denmark, Finland, France, Germany, Greece, Iceland, Ireland, Italy, Luxembourg, Malta, the Netherlands, Norway, Portugal, Spain, Sweden, Switzerland, and the United Kingdom.
