

New Zealand Standard

Specification for Portland and blended cements (General and special purpose)

Superseding NZS 3122:1995

**NZS
3122:2009**

COMMITTEE REPRESENTATION

This Standard was prepared under the supervision of the P 3122 Committee the Standards Council established under the Standards Act 1988.

The committee consisted of representatives of the following nominating organisations:

Cement and Concrete Association of New Zealand
IPENZ – Institution of Professional Engineers New Zealand
New Zealand Concrete Society
New Zealand Portland Cement Association
New Zealand Ready Mixed Concrete Association
University of Canterbury

ACKNOWLEDGEMENT

Standards New Zealand gratefully acknowledges the contribution of time and expertise from all those involved in developing this standard. Standards New Zealand gratefully acknowledges the Australian Technical Infrastructure Committee for table E1.

COPYRIGHT

The copyright of this document is the property of the Standards Council. No part of this document may be reproduced by photocopying or by any other means without the prior written permission of the Chief Executive of Standards New Zealand, unless the circumstances are covered by Part 3 of the Copyright Act 1994.

Standards New Zealand will vigorously defend the copyright in this standard. Every person who breaches Standards New Zealand's copyright may be liable, under section 131(5) (a) of the Copyright Act 1994, to a fine not exceeding \$10,000 for every infringing copy to which the offence relates, but not exceeding \$150,000 for the same transaction, or to imprisonment for a term not exceeding 5 years. Those in breach under section 131(5) (b) of the Copyright Act 1994 may be liable to a fine not exceeding \$150,000 or to imprisonment for a term not exceeding 5 years. If there has been a flagrant breach of copyright, Standards New Zealand may also seek additional damages from the infringing party, in addition to obtaining injunctive relief and an account of profits.
